CONSIGLIO NAZIONALE DELLE RICERCHE

NOTICE OF INFORMATION No 01/2011
Public Procurement
CIG N. 2650561022

The Institute of Clinical Physiology wishes to select companies with an interest in being invited to tender for the provision of Statistical Analysis in the European Project EVINCI (Evaluation of Integrate Cardiac Imaging for the Detection and Characterization of Ischemic Heart Disease).

Following IFC decision to set up a contract No 01 of 1 June 2011, in observance of art. 2 of the Public Contract Code of Legislative Decree No 163 of 12 April 2006 and subsequent amendments, in order to select the companies that will be invited as regulated in art. 125 paragraph 11, of Legislative Decree No 163 of 12 April 2006, we publish this notice.

Contracting authority:

National Research Council - CNR
Institute of Clinical Physiology - IFC Pisa

Procurement procedure:

Negotiated procedure, art. 125 paragraph 1 letter b) of Legislative Decree No 163 of 12 April 2006

Object of the contract:

Statistical Analysis in European Project EVINCI

Maximun amount estimated:

Euro 72.000,00 (VAT not included)

Description of the required task :

The work will be carried out in the context of two Work Packages (WPs) of European Project FP7 – EVINCI and should be completed no later than 9 (nine) months after the contract starting date;

- WP1: to build up a novel prediction model to establish pre-test probability of IHD (Ischemic Heart Disease) based on combined clinical data and biomarkers;
- WP5: to develop a new predictive model of outcome in patients with suspected IHD based on combined clinical-biomarkers-imaging information.

The new developed predictive model will allow the comparison of differnt of diagnostic strategies

Awarding criteria: most economically advantageous tender

ISTITUTO DI FISILOGIA CLINICA
CONSIGLIO NAZIONALE DELLE RICERCHE

Tender selection criteria:

- demonstrated competence in the field of applied statistics in clinical and epidemiological roles
- participation in previous European projects
- keeping of requested delivery times
- possibility of constant interaction with the research group of EVINCI Project

Therefore, Companies interested in taking part in this selection have to send a formal Request to participate, within **24th June 2011** at the following address:

CNR – Istituto di Fisiologia Clinica

Dr. Cinzia Bagnesi

Via G. Moruzzi, 1

56124 Pisa, Italy

Please write on the envelope the following information “Avviso no 1/2011”

In case of certified mail the date of the arrival postmark will be used to verify the date of receipt of the applications.

Any hand-delivered applications will be recorded by the Institute.

Once we have received the requests, we will proceed to the identification of economics operators who will be invited to tender.

The publication of this notice and the expression of interest of companies do not bind in any way our Institute to proceed to the invitation for the procedure.

Dr. Cinzia Bagnesi, IFC technologist will be in charge of procedures
