Lower offers will not be accepted.

Dismantling and transportation costs shall be borne by the purchaser.

The awarding will be made with the sealed increasing bid method, in sealed envelope that will be compared with the starting bid, pursuant to art. 73, lett. c), of R.D. 23/05/1924, n. 827, with the award to the participant who has submitted the highest bid.

In case of equal bids, during the same session we will proceed as follows:

- if all competitors are present, raise with secret bids;
- if not all the competitors are present, we will proceed to draw.

We will proceed to the award even if there is only one bid. In the event of a discrepancy between the price in figures and in words, the price mentioned in letters will be considered valid.

With reference to the date of reception, we will consider valid the stamp affixed by the Protocol Office of the ISTC-CNR.

The timely delivery of the envelope remains at the exclusive risk of the competitor.

The envelope must be closed, signed by the tenderer on the closing flaps and sealed. In addition to the sender's address on the envelope there must be clearly and prominently written the following:

**"FINANCIAL OFFER on the NOTICE of SALE (please indicate the equipment to which you are submitting the offer) by PUBLIC AUCTION"**

The envelope containing the bid, under penalty of exclusion, must be submitted no later than **April 21, 2017** (closing time of the Protocol Office of the ISTC-CNR), to the following address: ISTC-CNR via San Martino della Battaglia 44 - 00185 Rome.
