validity : **2 months**

	index : 43178	index : 43179	index : 43180																																													
Specification	Prime CZ	Prime FZ	Prime FZ																																													
Diameter	3" (76.2 ± 0.3 mm)	3" (76.2mm) ± 0.3 mm	10 x 10 mm²																																													
Type & dop	N - Ph	Intrinsic	Intrinsic																																													
Orientation	(111) ± 0.5°	(100) ± 0.5°	(100) ± 0.5°																																													
Off orientation	None	None	None																																													
Resistivity	2 - 8 Ohm cm	> 2000 Ohm.cm	> 2000 Ohm.cm																																													
Primary flat	Semi Std	Semi Std	Semi Std																																													
Secondary flat	Semi Std	No	No																																													
Thickness	375 ± 10µm	275 ± 10µm	275 ± 10µm																																													
TTV	< 10 µm	< 10 µm	< 10 µm																																													
Bow Warp	< 30 µm	< 30 µm	< 30 µm																																													
Edge rounding	Semi Std	Semi Std	Semi Std																																													
Surface	Single Side Polished	Single Side Polished	Single Side Polished																																													
Laser marking	No	No	No																																													
Remark	thermal oxide layer SiO2 300nm +/- 10 % on both sides
