Domanda 02

Il candidato descriva un aspetto del proprio curriculum vitae che ritiene rappresentativa in relazione alla tematica del bando

Inglese:

Good practice in research

Researchers should at all times adopt safe working practices, in line with national legislation, including taking the necessary precautions for health and safety and for recovery from information technology disasters, e.g. by preparing proper back-up strategies. They should also be familiar with the current national legal requirements regarding data protection and confidentiality protection requirements, and undertake the necessary steps to fulfil them at all times.

Informatica:

Il candidato definisca i concetti fondamentali di data storage.

BANDO 367.323 TEC ICMATE

Prova orale B

Domanda 01

Domanda 02

Il candidato descriva un aspetto del proprio curriculum vitae che ritiene rappresentativa in relazione alla tematica del bando

Inglese:

Professional attitude

Researchers should be familiar with the strategic goals governing their research environment and funding mechanisms, and should seek all necessary approvals before starting their research or accessing the resources provided. They should inform their employers, funders or supervisor when their research project is delayed, redefined or completed, or give notice if it is to be terminated earlier or suspended for whatever reason.
